The \$500.00 contribution received April 6, 2023 was very much appreciated by the Farm Safety Centre. Find receipt 1761 enclosed. It is our hope to reach more rural children in your area in the coming years. The consistent financial assistance from committed contributors is greatly appreciated especially in this time of uncertainty. Recognition of contributions are always noted on our website under "Supporters".

We are grateful for the continued support and interest in farm safety education shown by your organization and acknowledge your generous responses to our 2022 request letter.

The Safety Smarts program is running at full capacity and we are on track to reach more students this year than in 2021. Feedback from students and teachers is both positive and encouraging.

The Sustainable Farm Families program and the Rural Health Initiative are also up and running with new workshops being scheduled and delivered year-round. See included brochure for more information. If your organization would like more information about these programs or would like to host one for members of your organization or people in your area then please let us know.

Thanks again for your generous support. It would not be possible to deliver these important programs without the generous support of organizations like yours.

Sincerely,

Jordan Jensen  
Executive Director  
Farm Safety Centre
