A Development Permit application shall be made using the appropriate application form available at the Town office and on the [Town's Website](#) and shall include an application fee as set within the *Fees, Rates and Charges Bylaw*, as amended. The application package shall include the following:

- i. Current copy of the Certificate of Title (within 60 days of submission) for the affected lands,
- ii. Current copies of any restrictive covenants or easements (within 60 days of submission),
- iii. A description of the existing and proposed use of the land, building(s) and structures and whether it is a new development, an alteration/addition, relocation or change of use and whether the use is temporary in nature,
- iv. Color renderings or facsimile acceptable to the Development Authority showing the exterior elevations including height, horizontal dimensions and finishing materials of all buildings, existing and proposed,
- v. Documentation from the Alberta Energy Regulator (AER) identifying the presence or absence of abandoned oil and gas wells as required by the *Matters Related to Subdivision and Development Regulation*, as amended,
- vi. A copy of the Site Plan showing:
 - a. Legal description of the site with north arrow, scale and municipal address,
 - b. Site area and dimensions of the front, rear and side yards if any,
 - c. Site drainage including any watercourses, finished parcel grades, road grades and slopes greater than 15%,
 - d. The location of all existing and proposed buildings and structures (including roof overhangs) and registered easements or rights-of-way, dimensioned to property lines and drawn to a satisfactory scale,
 - e. Existing and proposed parking and loading areas, driveways, abutting streets, avenues and lanes, and egress and ingress,
 - f. Where applicable, the location of existing and proposed utilities, wells, septic tanks, disposal fields, culverts and surface drainage patterns,
 - g. Where applicable, the identification of trees to be cut down or removed, and
 - h. Any additional information as may be stipulated in the standards of development, and
- vii. When required by the Development Authority:
 - a. A Real Property Report prepared by an Alberta Land Surveyor, if there is any doubt as to the boundaries of the parcel,
 - b. Engineering and other reports to prove the safety and suitability of the site for the purpose intended, including a declaration that the site is free from contamination,
 - c. Landscaping Plans where required in alignment with Section 3.21,
 - d. A site drainage/stormwater management plan prepared by a qualified professional, to the satisfaction of the Development Authority, for all commercial, industrial, greenhouses and multi-unit developments or other developments as required by the Development Authority,
 - e. A Traffic Impact Assessment,
 - f. Elevations showing the proposed exterior of a building,
 - g. Any supporting studies, plans or other information deemed necessary, and
 - h. Any other additional information required for a Specific Use or Activity, as outlined in **Section Four – Specific Uses and Activities**.

An application for a Development Permit must be made by the registered owner(s) of the land on which the development is proposed. An application may be made by a person who is not the registered owner of the land only with written consent of the registered owner(s).
